Mr. Pensworth,

This is an update to your Freedom of Information Act request dated October 15, 2019. You are seeking records pertaining to the DARPA Restoring Active Memory (RAM) program, co-operative agreements and any, all, or any combination of National Institute of Health and National Science Foundation grants. Your request is being processed in accordance with Title 5 United States Code 552, The Freedom of Information Act. Your request was assigned case FA-20-0002/FP-20-001540 at the U.S. Army Medical Center of Excellence (MEDCoE).

Please be advised that this FOIA office has been notified by the Office of the Secretary of Defense, Office of Freedom of Information that your FOIA request has already been received at their location as an identical request. Therefore our referral was not needed and they should be contacting you in regards to further processing based upon your initial submission.

Additionally, this office attempted to email you in response to our processing actions. However, email delivery to your noted email address failed. Due to conditions of this nature, we do send to the Requester hard copy correspondence to ensure delivery.

Again, we have closed your case at this activity and your case will receive action from the above stated office.

Point of contact for MEDCoE is Glenn W. Field, FOIA Officer, (210) 221-6754 or 221-8886. Thank you.

A handwritten signature in black ink, appearing to read "G.W. Field", is positioned above the typed name.
